B The monthly bank reconciliation, accounts and bank statement for November were received, reviewed and approved.

C Budget 2024-25

The second draft of the budget was reviewed. Since the draft budget was discussed at the November Parish Council meeting, the forecast number of households in the village paying council tax in 2024-25 has been received. This forecast shows that the number will rise by 3.7%. With increased costs, the Parish Clerk is proposing that the Parish Council increase the precept by a total of 7%. This comprises a 3.7% increase in the number of households paying Council Tax and a 3.3% increase by the Parish Council.

Cllr Harrod recommended to the Parish Council that the Precept be increased more than proposed on the second draft budget to allow for additional expenditure, including helping to fund the local Freecycle scheme, which was not included in the second budget draft. Cllr Harrod told the other Councillors that the Parish component of the Council tax is so small that even a 10% increase in the precept is less than a 1% increase in Council tax. All the Parish Councillors present agreed with Cllr Harrod, and the Parish Clerk will draft a new budget with these changes.

Precept 2024-25

The proposed Precept from the second budget draft was not approved, with changes to be made to the request.

145/23 Parish clerk and councillors' update of matters in hand

- Christmas tree recycling will be located adjacent to the entrance to the Rec. Trees must be 6ft or under or cut down to size and left by 9th January for collection on 10th January.
- Carol singing around the Christmas tree will be held on Wednesday 13th December at 6 pm with mulled wine and mince pies at The Bull afterwards.

146/23 Security in the village

The Neighbourhood Watch representative attended the meeting. With discussion about the progress of the Lion's message in a bottle scheme. Which has around 30 residents now taking part. Residents are encouraged to continue to report any incidents they witness or experience to the police via the 101 telephone service or online via the [police.co.uk](https://www.police.co.uk) website.

147/23 Steps to the Well on the Green

Green and Growing have been out and completed the tidy-up to the steps to the green and have given the Parish Council estimated quotes for potential work to the steps. The Parish Council all agreed in favour of getting Green and Growing to complete the works and that the works should be done to fully repair the steps. The Parish Clerk will arrange with the above contractor to get these works completed.

148/23 Neighbourhood planning update

Cllrs Harms, updated the Councillors on the Neighbourhood planning online presentation.

Cllr Harms reported back that the online presentation was very interesting. Cllr Harms raised the biodiversity and climate side of the Neighbourhood plan as being the most critical area for small Villages. Although this is important, Cllr Harms also pointed out that to complete a Neighbourhood Plan, you need a lot of time, money and resources, as well as the expertise of someone who understands the area to help complete a successful plan. Cllr Harrod raised the point that Great Milton is too

small of a Village, with not enough developmental land to worry about the expensive undertaking of a Neighbourhood Plan. Cllr Harrod pointed out that a Parish Plan was completed in 2012 with very little coming from this plan and took a lot of time, money and resources to complete.

The following Great Milton Parish Council meeting will be held on Monday, 15th January 2024, at 7.30 pm at the Pavilion.

The meeting ended at 20:10

The Rector's Pint

For my piece this month, I mainly want to offer a brief tribute to my predecessor in these parishes, Rev. Victor Story.

Victor was the Rector here for fifteen years, more than enough time to get his feet under the table! I only met him a few times, when he returned here to assist with funerals, to give the eulogy or lead the prayers for people he had known well. I was always impressed by his attention to detail, and his warmth and love for those he was remembering.

Victor was a gentle man, and I know that he was a man of prayer. As a qualified teacher, he maintained a love for the schools, and I know that he was also well loved by them. His funeral took place on 14th December at St. Mary's and it was well attended by many of his friends from the various parishes he had served in.

Victor had no family of his own. He was married for a few years in the 1990's, a time that brought him great joy. Tragically, his wife died, and I know that Victor carried the grief of that for the rest of his life.

Of course there was sadness at his funeral, but there was also much joy and thanksgiving, as we heard about his ministry here and elsewhere, including his life in Chipping Norton following his retirement, and what he meant to Matilda, the granddaughter of Vera who used to clean the Rectory. Victor had appointed Matilda as his executor without her knowledge, but she did a magnificent job of pulling the funeral together. My thanks to Tim Suter and Kate Billimore and the choir for organising the music in such a short time - with Carol Services looming only three days later. The Nunc Dimittis at the end of the funeral was particularly beautiful. So many have commented that the whole service was 'just so Victor!'

It is hoped that Victor's ashes will be interred in the grave of beloved his wife in Evesham, where Victor served as curate between 1981 and 1985.

I would also like to send my best wishes for the New Year to all readers of the 'Pint'. We have all experienced a bumpy ride for several years now, and we can only look out with increased sadness at the news we see unfolding in parts of our world. It adds some urgency to the beginning of the Lord's prayer every time we use it: 'Thy kingdom come, thy will be done....' In our own small way though, each of us has a responsibility to be an answer to that prayer.

As St Paul wrote in his letter to the Hebrews: (Chapter 11 Verse 1)

"Faith is the assurance of things hoped for, the conviction of things not seen".

Through faith, we have hope. Peace and blessing to you all for 2024.

Simon

Info Point

A New Way of Exploring St Mary's Church

Anyone recently visiting St Mary's will have had access to an excellent guide book or leaflet but now there will be an additional way of gaining information about our own historic building which is both complementary and innovative. The church is now the first religious building in Oxfordshire to have an 'Info Point'. The latter generates an 'off-grid' web that users can connect to (using their own 'phones) via its own localised Wi-Fi network. Anyone with a device containing a modern web browser can use Info Point' Wi-Fi hotspot to gain free access to an 11-point interactive tour of the church's unique features. It is all simpler than it sounds, the straightforward instructions are displayed inside the north door (as you know, the latter is usually open during daylight hours). There are lots of photographs (even a picture jigsaw if you have time!) and it is possible to stop and start at any stage. You may be surprised what you might find out for the first time. It is also expected to be a valuable aid for the many overseas visitors who call in while staying at Le Manoir.

The church tour is only the first piece of information to be featured. Extra details on the Dormer monument and the musical instruments have already added but one of its advantages, over printed material, is that future changes can be recorded. It has been installed in advance of the imminent restoration of the monument. A video of the conservation work is to be included. This project has been funded in association with the latter work by several grant bodies (details of which will be publicised later). Plans to add a children's quiz is just one of the ideas in process.

So, bring your 'phone to church (if it is not used during the service!). Anyone keen to know more about Info Point (or, indeed getting involved in adding new content – a valuable student exercise?) are encouraged to contact Fred Cabbage 07484 851616. The church is indebted to Andrew Meynell who allowed his guide 'St Mary's and Great Milton' to be used as a source for much of the tour content and Nick Belcher for some of the photos.

Village Christmas Card

Thank you to everyone who contributed to the village Christmas card. We are delighted that the initiative raised £2,284 for Muscular Dystrophy UK. Particular thanks to Juliet Langlais, Nick Belcher and Le Manoir for their support.

John Howell MP writes...

I would like to begin this month by wishing all my constituents a peaceful Christmas, and to send my best wishes for the year ahead.

I know that, for many, life is not easy, and that personal and global struggles can

weigh us down. Across the world too many people are still being affected by oppressive regimes and the effects of war. Still more suffer as a result of natural disaster. Our thoughts and prayers go out to anyone suffering at this time.

Here at home, many continue to feel the impact of the rising cost of living. However I hope that this year has brought some respite with the successful work to reduce the level of inflation and the measures that the Government has introduced to help ease the burdens on households across the country. Further measures planned for next year will continue to improve the situation.

There are never easy or straight forward answers to the big issues of our day. There will always be different solutions to consider, and any proposals will have knock on issues to be considered and weighed up against the alternatives. I am always interested to learn of the different views that people have and to consider them against my own. We may have to agree to differ, but discussion is helpful.

Closer to home when I look around the constituency and read the many parish magazines that are sent to me, I am always grateful for the generosity of time that so many people give to their communities in so many different ways. There are those who sit on our local councils and parish meetings and work at the challenges of local decision making; those who organise the wide-ranging group activities for others week by week or month by month; those who volunteer to maintain community facilities and our environment. Those who drive people to medical appointments or do shopping for those who are not able to do it themselves. There are so many people who volunteer in a wider range of ways it is impossible to list them all. I would like to take this opportunity to pass on my sincere thanks to this army of volunteers who work throughout the year to strengthen our communities and make our towns and villages desirable places to live and work. Your generosity is very much appreciated. Thank you all.

We never know what each year will bring and as another new year comes nearer I remain optimistic and hopeful that those things that we hope will get better do, and that we will find new solutions and innovations to resolve some of the bigger problems of the world.

Whatever your beliefs, I do sincerely hope that the peace of the Christmas season may bring you some comfort and joy.

GREAT MILTON NEIGHBOURHOOD WATCH

LION “MESSAGE IN A BOTTLE” SCHEME

These bottles are designed to hold important information about you and your medical needs. In case of an emergency, ambulance crews know where to find your bottle and ensure you get the care you need.

The bottles are free and could save your life

All you need to do is complete the enclosed form, with details of your next of kin and any information about diagnoses, medication, allergies etc. Then pop the bottle in the shelf of your fridge door. You'll also find two green self-adhesive labels in the bottle. Put one on the inside of your front door and the other on the outside of your fridge.

Ambulance crews are trained to look for the green stickers

You can pick up your free bottle from:

Morland House Surgery
Health centres
Pharmacies

Or contact Rod Snowdon (Neighbourhood Watch)
on 07836 728919 or via the Village WhatsApp group.

It would be useful if you could let Rod know if you're using this scheme or if you find anywhere else that distributes the bottles.

Thank you.
